I was informed by my case manager at the Atlantic Ave. CAMBA Men's Shelter that I was transferred to from the Renaissance. . .

that the transfer was *unreasonable*.

It's unclear to me if the transfer was somehow connected to the Reasonable Accommodation request or not. Nonetheless, I wish to appeal the decision and have been informed that the SUS Renaissance team is responsible.

Please provide an *appeal form* and any information regarding what you need to effect the appeal?

Thank you for your assistance.
